Dangerously

Charlie Puth

This is gonna hurt but I blame myself first
Cause I ignored the truth
Drunk off that love, it fucked my head up
There's no forgetting you
You've awoken me, but you're choking me
I was so obsessed
Gave you all of me, and now honestly
I got nothing leftI loved you dangerously
More than the air that I breathe
Knew we would crash at the speed that we were going
Didn't care if the explosion ruined me
Baby, I loved you dangerously
Mmmm, mmmm
I loved you dangerously
Usually, I hold the power
With both my hands tied behind my back
Look at how things changed
Cause now you're the train and I'm tied to the trackYou've awoken me, but you're choking me
I was so obsessed
Gave you all of me, and now honestly,
I got nothing leftCause I loved you dangerously
More than the air that I breathe
Knew we would crash at the speed that we were going
Didn't care if the explosion ruined me
Baby, I loved you dangerously
You took me down, down, down, down
And kissed my lips with goodbye
I see it now, now, now, now
It was a matter of time
You know I know, there's only one place this could lead
But you are the fire, I'm gasoline
I love you, I love you, I love youI loved you dangerously
Ooh, more than the air that I breathe
Oh now, knew we would crash at the speed that we were going
Didn't care if the explosion ruined me
Oh, oh baby, I loved you dangerouslyMmmm, mmmm
Ooh, I loved you dangerously
Ooh ooh, I loved you dangerously
