

Let Me Be Myself

3 Doors Down

I guess I just got lost
Bein' someone else
I tried to kill the pain
Nothin' ever helped
I left myself behind
Somewhere along the way
Hopin' to come back around
To find myself someday
Lately I'm so tired of waiting for you
To say that it's ok, but tell me
Please, would you one time
Just let me be myself
So I can shine with my own light
Let me be myself
Would you let me be myself
I'll never find my heart
Behind someone else
I'll never see the light of day
Living in this hell
It's time to make my way
Into the world I knew
and to take back all of these times
That I gave in to you
Lately I'm so tired of waiting for you
To say that it's ok, but tell me
Please, would you one time
Let me be myself
So I can shine with my own light
And let me be myself
For a while, if you don't mind
Let me be myself
So I can shine with my own light
Let me be myself
That's all I've ever wanted from this world
Is to let me be me
Please, would you one time
Let me be myself
So I can shine with my own light
Let me be myself
Please, would you one time
Let me be myself
So I can shine with my own light
Let me be myself
For a while, if you don't mind
Let me be myself

So I can shine with my own light

Let me be myself

Would you one time... oooh

Let me be myself

Let me be me
