I Miss You

Miley Cyrus

Sha, la, la, la, la Sha, la, la, la, You use to call me your angel Said I was sent straight down from heaven You'd hold me close in your arms I loved the way you felt so strong I never wanted you to leave I wanted you to stay here holding meI miss you I miss your smile And I still shed a tear, every once in a while And even though it's different now You're still here somehow My heart won't let you go And I need you to know I miss you Sha, la, la, la, la I miss youYou use to call me your dreamer And now I'm living out my dream Oh, how I wish you could see Everything that's happening for me I'm thinking back on the past It's true that time is flying by too fastI miss you I miss your smile And I still shed a tear, every once in a while And even though it's different now You're still here somehow My heart won't let you go And I need you to know I miss you Sha, la, la, la, la I miss youI know your in a better place, yeah But I wish that I could see your face, oh I know you're where you need to be Even though it's not here with meI miss you I miss your smile And I still shed a tear, every once in a while And even though it's different now You're still here somehow My heart won't let you go And I need you to knowI miss you Sha, la, la, laI miss you I miss your smile And I still shed a tear, every once in a while

And even though it's different now
You're still here somehow
My heart won't let you go
And I need you to knowI miss you
Sha, la, la, la, la
I miss you
(I miss you, you)
