

# No Talk

## River Tiber

Doesn't matter if we've been down  
But it is later than it is now  
And u feel it like a motion  
To the bottom of the ocean  
Getting lifted into basement  
Where we all become the same thing  
Always talk like you could get this  
In the city acting reckless  
No Talk, No Talk, No Talk (ooooooh)  
No Talk, No Talk, No Talk (ooooooh)  
No Talk, No Talk, No Talk (no oooh...)  
(ooooooh)

Doesn't matter if we've been down  
But is later than it is now  
I can see trough my projection  
Getting high of your possession  
Looking pretty, looking vacant  
When we all become the same thing  
In the city acting reckless  
(ooooooh)

No Talk, No Talk, No Talk  
No Talk, No Talk, No Talk  
No Talk, No Talk, No Talk
