Sexual Healing

Marvin Gaye

Get up, get up, get up Wake up, wake up, wake upOh, baby now let's get down tonightOoh baby, I'm hot just like an oven

I need some lovin'

And baby, I can't hold it much longer

It's getting stronger and strongerAnd when I get that feelin'

I want sexual healin'

Sexual healin', oh baby

Makes me feel so fineHelps to relieve my mind

Sexual healin' baby, is good for me

Sexual healin' is something that's good for me

Whenever blue teardrops are fallin'

And my emotional stability is leavin' me

There is something I can do

I can get on the telephone and call you up, babyAnd honey, I know you'll be there to relieve me

The love you give to me will free me

If you don't know the thing you're dealin'

Ohh I can tell you, darling, that it's sexual healin'Get up, get up, get up, get up

Let's make love tonight

Wake up, wake up, wake up

'Cause you do it rightBaby, I got sick this mornin'

A sea was stormin' inside of me

Baby, I think I'm capsizin'

The waves are risin' and risin'

And when I get that feelin'

I want sexual healin'

Sexual healin' is good for me

Makes me feel so fine, it's such a rush

Helps to relieve the mind, and it's good for usSexual healin', baby, it's good for me

Sexual healin' is something that's good for me

Well, it's good for me and it's so good to me, my baby, ohhCome take control, just grab a hold Of my body and mind, soon we'll be makin' it, honey

I'll be feelin' fine

You're my medicine, open up and let me in

Darlin', you're so great, I can't wait for you to operate

(Healing, my darling)

I can't wait for you to operate

When I get this feelin'

I need sexual healin'

Oh when I get this feelin'

I need sexual healin'

I gotta have sexual healin', darlin'

'Cause I'm all alone
Sexual healin', darlin'
Till you come back home
Please don't procrastinate
It's not good to masturbate
