What It's Like to Be Me

Britney Spears

Do you know what it's like?

Come on, come onBaby tell me

Do I look like the kind of girl

That you want to take home

Want to make me your own

Do you even know what I like

Just what I'm living for

What I adoreBaby, take the time to realize I'm

Not the kind to sacrifice

The way I am

So if you want to be my man (baby)

Walk a mile in my shoes

Do me right or I'm through

Can't you see that

If you want to stay around (I'm telling you)

You've got to figure me out

Take your time or you lose

This is my game, my rules

And I can see, obviously

Baby you don't know

What it's like to be meDo you know what it's like?

Do you know what it's like?Don't you get it twisted boy

I want you too

But you got my heart to win

Before I let you in

And this deceives you baby

I'm not the average lady

I need someone to love

Baby, take the time to realize I'm

Not the kind to sacrifice

The way I am

So if you want to be my man (baby) Walk a mile in my shoes

Do me right or I'm through

Can't you see that

If you want to stay around (I'm telling you)

You've got to figure me out

Take your time or you lose

This is my game, my rules

And I can see, obviously

Baby you don't know

What it's like to be meBaby, get to know me

Then you can show me

That you love for me is true
I'll give you everything
That a girl can give

Don't you want to be my man? Walk a mile in my shoes

Do me right or I'm through

Can't you see that

If you want to stay around (I'm telling you)

You've got to figure me out

Take your time or you lose

This is my game, my rules

And I can see, obviously

Baby you don't know

What it's like to be meWalk a mile in my shoes

Do me right or I'm through

Can't you see that

If you want to stay around (I'm telling you)

You've got to figure me out

Take your time or you lose

This is my game, my rules

And I can see, obviously

Baby you don't know

What it's like to be me
