# Can't Fight It (Breathe Carolina Remix)

## Quintino & Cheat Codes

You only come and go
When you feel like it
Been at it for a while
But you won't commit
This inconsistent
Love is messing with my head
(Love is messing with my head)
(Love is messing with my head)And it just ain't fair
You know I can't fight it
Can't fight itWhen I put my hands
All over your body
Uuuh
And if the stars don't shine
Yeah
And if the moon fell down tonight
I would be there no mater what
I wanna be the one to make you fall in loveMake you fall in love
Make you fall in loveI wanna be the one to make you fall in loveI wanna be the one to make you fall in love(I wanna be the one to make you fall in love)I told you how I found that before you left
and I'm out for wild like a cigarette
I know that I shoud quit but I'm not ready yet
Oh, no no noAnd it just ain't fair
You know I can't fight it
Can't fight it
When I put my hands
All over your bodyUuuh
And if the stars don't shine
Yeah
And if the moon fell down tonight
I would be there no mater what
I wanna be the one to make you fall in love
Make you fall in love
Make you fall in love
I wanna be the one to make you fall in love
I wanna be the one to make you fall in love
(I wanna be the one to make you fall in love)
