

# Can't Be Friends

## Trey Songz

Look what this girl done did to me,  
She done cut me off from a good, good love. She told me that those days were gone (gone,  
gone, gone)  
Now I'm sitting here going half crazy 'Cause I know she still thinks about me too,  
And there ain't no way in hell, that I can be just friends with you (you, you, you) And I wish we  
never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now ain't no way we can be friends. The  
way it felt, no faking it  
Maybe we were moving just a little too fast.  
But what we've done we can't take it back  
Now I'm sitting here half way crazy  
'Cause I know she still thinks about me too  
And there ain't no way in hell, that I can be just friends with you you, you, you And I wish we  
never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now ain't no way we can be friends. And all  
I can say is:  
La la la la la la la la laaaaa  
La la la la la la la la la, la la laowwww  
La la la la la la laaaa, hey Ain't no telling what we could have been,  
Ain't telling what we could've been, oh  
And if I knew it would end like this,  
I never would have kissed ya, 'cause I fell in love with ya,  
We never would've kicked it, girl now everything's different  
I lost my only lover and my friend that's why I wished we never did it  
(ouu lay)  
And I wish we never loved it (I wish we never loved it!)  
And I wish I never fell so deep in love with you and now ain't no way we can be friends. La la la  
la la la la la laaaaa  
La la la la la la la laaaaa
