

Cool Change

Little River Band

If there's one thing
In my life that's missing
It's the time that I spend alone
Sailing on the cool
And bright clear water Lots of those friendly people
They're showing me ways to go
And I never want to
Lose their inspiration Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change
Well, I was born in the sign of water
And it's there that I feel my best
The albatross and the whales
They are my brothers It's kind of a special feeling
When you're out on the sea alone
Staring at the full moon like a lover Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change I've never been romantic
And sometimes, I don't care
I know it may sound selfish
But let me breathe the air Yeah, yeah
Let me breathe the air
If there's one thing
In my life that's missing
It's the time that I spend alone
Sailing on the cool
And bright clear water It's kind of a special feeling
Out on the sea alone
Staring at the full moon
Like a lover Time for a cool change
I know that it's time for a cool change
Now that my life is so prearranged
I know that it's time for a cool change (Time for a cool change)
It's time, it's time
It's time, it's time
For a cool, cool change
(Time for a cool change)
I know it's time for a cool change
(Time for a cool change)
Now that my life is so prearranged

Well, I know, I know
I know, I know
(Time for a cool change)
It's time for a cool change
Yes, it is, yes, it is yes, it is
You know it's time for a cool change
