## **Love Letters**

Love Letters on wet paper Forgivers, no takers An angel who never got wings You find Jesus and it's too late He's already closed the front gate And the sign's flashing no vacancyYou've broken my heart for the last time You promise the truth and you told lies You've really made me believe That love was supposed to be free Love letters on wet paper Forgivers, no takers An angel who never got wings You find Jesus and it's too late He's already closed the front gate And the signs flashing no vacancyI'll never forget how he used to be But I'm better off living with memories I know that it's gonna hurt But I don't think it gets any worse And love letters on wet paper Forgivers, no takers An angel who never got wings You find Jesus and it's too late He's already closed the front gate And the sign's flashing no vacancy Yeah, my heart's flashing no vacancy Song Discussions is protected by U.S. Patent 9401941.
