

Suited Panamera (feat. Quando Rondo)

YoungBoy Never Broke Again

[YoungBoy Never Broke Again:]
It's Vade on the keys
Ride around, 'round, ooh-woah
Oh, slime
Every jawn, nigga, oh
Shit, I just woke up about two hours ago
Let's go Suited Panamera when I roll
Should I rock and roll, the life I chose
Don't know nothin' but go hard behind my bros, yeah
No longer push pain out, I'm gon' go harder with it in
Singin' that, fuck that love shit, bitch, been long gone, baby
I got trust issues, plus these drugs won't let me hold on, baby
I be wantin' to leave it all, but did too much to fuckin' make it
The ones I love, I cut 'em off, 'cause it's too much and I can't take it
I don't do no talkin' on it, either side
Them Xans what got this look stuck up in my eyes
It numb my pain, never left, it only rise
At the end, not only that your soul left, your name dies
Hate what you believe, you do that shit 'cause I won't leave
I spend the money to make emotions ease, bitch, now let me breathe
Known to draw down, we never freeze
Searchin' for love, it sure is deceiving
I still have no one on side of me
But when you see me, I be flexed up, nigga Suited Panamera when I roll
Should I rock and roll, the life I chose
Don't know nothin' but go hard behind my bros, yeah
No longer push pain out, I'm gon' go harder with it in
[Quando Rondo:]
My bros, yeah
I swear lil' Leaky, I miss you, nigga, yeah
Uh-uh, uh-uh, uh, yeah, yeah
Shootouts with the other side, it got confidential
Many wouldn't even have me 'round if I wasn't beneficial
I'ma always take my brother's side while hangin' out that window
50K, I spend it on some VV's, you can ask the dental
It's okay, I watched lil' Leaky serve up out them rentals
Suburbans on the highway, no, we don't do the Sprinters
And I stay street life grindin' 'cause I ain't really have a pot to piss in
A little street life shawty chasin' blue cheese 'cause he Crippin'
I feel like G life forever and always, yeah, I'm Crippin'
I'm in a street life, that's what all of my niggas been Crippin'
I'm all in love and lust, I showed you, I guess I got interference

She paint a picture perfect, two double cups help me get the image[YoungBoy Never Broke Again:]

Suited Panamera when I roll

Should I rock and roll, the life I chose

Don't know nothin' but go hard behind my bros, yeah

No longer push pain out, I'm gon' go harder with it in
