

You're Wondering Now

[Amy Winehouse](#)

You're wondering now, what to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved First time I swallowed, now
you're on your own
I won't return, forever you will wait You're wondering now, what to do, now you know this is
the end First time I swallowed, now you're on your own
I won't return, forever you will wait You're wondering now, what to do, now you know this is
the end
You're wondering how, you will pay, for the way you misbehaved You're wondering now, what
to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved
You're wondering now, what to do, now you know this is the end
You're wondering how, you will pay, for the way you misbehaved
