I'll Be Missing You (feat. 112)

Puff Daddy & Faith Evans

Yeah, this right here goes out to everyone that has lost someone that they truly loved

Check it out...Seems like yesterday we used to rock the show I laced the track, you locked the flow

So far from hangin' on the block for dough

Notorious they came to know that

Life ain't always what it seem to be

Words can't express what you mean to me Even though you're gone we still a team

Through your family I'll fulfill your dream

In the future can't wait to see if you

Open up the gates for me

Reminisce sometimes, the night they took my friend

Try to black it out, but it plays again

When it's real feelings hard to conceal

Can't imagine all the pain I feel

Give anything to hear half your breath

I know you're still livin' your life after deathEvery step I take

Every move I make

Every single day

Every time I pray

I'll be missing you

Thinking of the day

When you went away

What a life to takeWhat a bond to break

I'll be missing you

It's kinda hard with you not around

Know you in heaven smilin' down

Watching us while we pray for you

Everyday we pray for you

Till the day we meet again

In my heart is where I keep you friend

Memories give me the strength I need to proceed

Strength I need to believe

My thoughts, Big, I just can't define

Wish I could turn back the hands of time

Us in the six, shop for new clothes and kicks

You and me takin' flicks

Makin' hits, stages they receive you on Still can't believe you're gone

Give anything to hear half your breath

I know you're still livin' your life after deathEvery step I take

Every move I make

Every single day Every time I pray

I'll be missing you

Thinking of the dayWhen you went away

What a life to take

What a bond to break

I'll be missing youSomebody tell me why...

On that morning

When this life is over know, I'll see your face Every night I pray (we miss you)

Every step I take (we miss you)

Every move I make (we miss you)

Every single day (we miss you)

Every step I take (we miss you)

Every move I make (we miss you)

Every single day (we miss you)

Every time I pray (we miss you)

I'll be missing you (we miss you)

Thinking of the day (we miss you)

When you went away (we miss you)

What a life to take (we miss you)

What a bond to break (we miss you)

I'll be missing you (we miss you)
