

# Love the Way You Lie, Pt. 2 (feat. Eminem)

Rihanna

On the first page of our story  
The future seemed so bright  
Then this thing turned out so evil  
I don't know why I'm still surprised  
Even angels have their wicked schemes  
And you take that to new extremes  
But you'll always be my hero Even though you've lost your mind Just gonna stand there and  
watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie, oh, I love the way you lie Now there's gravel in our voices Glass is  
shattered from the fight  
In this tug of war you'll always win Even when I'm right  
'Cause you feed me fables from your head  
With violent words and empty threats  
And it's sick that all these battles  
Are what keeps me satisfied  
Just gonna stand there and watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie, oh, I love the way you lie, oh  
So maybe I'm a masochist  
I try to run but I don't wanna ever leave  
Till the walls are goin' up  
In smoke with all our memories  
This morning, you wake, a sun ray hits your face  
Smeared makeup as we lay in the wake of destruction  
Hush baby, speak softly, tell me I'll be sorry  
That you pushed me into the coffee table last night  
So I can push you off me  
Try and touch me so I can scream at you not to touch me  
Run out the room and I'll follow you like a lost puppy  
Baby, without you, I'm nothing, I'm so lost, hug me  
Then tell me how ugly I am but that you'll always love me  
Then after that, shove me, in the aftermath of the  
Destructive path that we're on, two psychopaths but we  
Know that no matter how many knives we put in each other's backs  
That we'll have each others backs 'cause we're that lucky  
Together, we move mountains  
Let's not make mountains out of molehills

You hit me twice, yeah, but who's countin'?  
I may have hit you three times, I'm startin' to lose count  
But together, we'll live forever, we found the youth fountain  
Our love is crazy, we're nuts but I refused counsellin'  
This house is too huge, if you move out I'll burn all two thousand  
Square feet of it to the ground, ain't shit you can do about it  
With you I'm in my fuckin' mind, without you, I'm out it  
Just gonna stand there and watch me burn  
But that's all right because I like the way it hurts  
Just gonna stand there and hear me cry  
But that's all right because I love the way you lie  
I love the way you lie, I love the way you lie  
I love the way you lie, I love the way you lie
