

Honey

Moby

Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
Get my honey come back, sometimes
Get my honey come back, sometimes
Get my honey come back, sometimes
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come back
Way down yonder, get my honey come
Way down yonder back
Get my honey come back, sometimes
I wanna rap like that, sometimes
I get a hump in my back, sometimes
I'm going over here, sometimes
