

# Boom Boom Goes the Day

Sean Hayes

Days like today  
try and plan they go their own way  
Boom boom goes the day  
hear the radio, TV, newspaper  
Skyscraper on the pavement  
Hey, hey, hey...Everyone says just a little word wrong  
Everyone says just a little word wrong  
you're in babylonBoom boom goes the day  
hear the radio, TV, newspaper  
Skyscraper on the pavement  
Hey, hey, hey...  
Everyone says just a little word wrong  
Everyone says just a little word wrong  
you're in babylon  
This here babylon  
Oh, babylon...
