Feelin' So Good (feat. P. Diddy & G. Dep)

Jennifer Lopez

Here I go

Here I go

Feel better now

Feel better nowHere I go

Here I go

It's better now

Feel better nowDo you remember when we fell under

Did you expect me to reason with thunder

I still remember when time was frozen

What seemed forever was just a moment

Hurry up, hurry up

There's no more waiting

We're still worth saving

Feel the light

Shining in the dark of night

Remember what we forgot

I know it's a long shot

But we're bringing it all back

We're bringing it all back

Feel the light

Shining like the stars tonight

Remember what we forgot

I know it's a long shot

But we're bringing it all back

We're bringing it all backHere I go

Here I go

Feel better now

Feel better now

Here I go

Here I go

It's better now

Feel better nowI still remember when things were broken

But put together the cracks will closin'Hurry up

Hurry up

There's no more waiting

We're still worth savingFeel the light

Shining in the dark of night

Remember what we forgot

I know it's a longshot

But we're bringing it all back

We're bringing it all backFeel the light

Shining like the stars tonight

Remember what we forgot

I know it's a longshot

But we're bringing it all back

We're bringing it all backYou and I can have it all tonight

So let's bring it back it to light

Now we have another chance to fly

Another chance to make it rightFeel the light

Shining in the dark of night

Remember what we forgot

I know it's a long shot

But we're bringing it all back

We're bringing it all backFeel the light

Shining like the stars tonight

Remember what we forgot

I know it's a long shotFeel the light

Shining like the stars tonight

Remember what we forgot

I know it's a long shot

But we're bringing it all back

We're bringing it all backHere we go

Here we go

Feel better now

Feel better nowHere we go

Here we go

It's better now
