

# I Don't Wanna Grow Up

Bebe Rexha

I don't wanna grow up, no  
I don't wanna grow up  
I'm still naive  
Young, wild and free  
(oh-oh-oh-oh-oh, ohh, ah-oh-oh-oh-oh-oh)

I don't wanna hear it, no  
I don't wanna feel it  
Don't lecture me  
Just let me be  
(oh-oh-oh-oh-oh, ohh, ah-oh-oh-oh-oh-oh)

If love is a lie  
It's the most beautiful lie that you've ever been told  
Cause nothing, nothing makes me feel like you do  
Even though I see through you  
If love is a lie  
Then please don't ever tell me the truth  
Cause nothing, nothing makes me feel like you do  
Even though I see through you I don't wanna live it, no  
I don't wanna live it  
Reality, just not for me  
(oh-oh-oh-oh-oh, ohh, ah-oh-oh-oh-oh-oh, yeah, yeah, yeah)

Like cheap tequila  
Makes you sick but it tastes so good  
Feels good on your lips, take a sip  
Just one more hit  
I love it when you do it, when you do it like this  
When you do it, when you do it like this  
If love is a lie  
It's the most beautiful lie that you've ever been told  
Cause nothing, nothing makes me feel like you do  
Even though I see through you  
If love is a lie  
Then please don't ever tell me the truth  
Cause nothing, nothing makes me feel like you do  
Even though I see through you If love is a lie  
It's the most beautiful lie that you've ever been told  
Cause nothing, nothing makes me feel like you do  
Even though I see through you  
If love is a lie  
Then please don't ever tell me the truth  
Cause nothing, nothing makes me feel like you do  
Even though I see through you
