

One More Dance

Boyz II Men

I was wrong beyond belief
Even the blindest man could see
That the choices that I'll make
Would be the end of you and me
So I sit here all alone
have been a mess since you've been gone
Now I hate myself like no one else
I know that I'm not far
Truth is there's really no excuse
For what I did or didn't do
So sorry, I hope that you can find it in your heart to say
Save one more dance with me
One last second chance for me
Cause I don't want nobody cutting in
I swear I'll never break your heart again
Please don't let the music end
Could you just save me one more dance
One more dance, dance, one more dance, dance Maybe I was just afraid
Of how good my life can be
So I messed things up and hurt you girl
Before you could hurt me
I'm not saying I was right
I'm not so proud of what I did
Well I'm not gonna lie, or try to justify
Or try to make it all make sense
Truth is there's really no excuse
For all I did or didn't do
So sorry, I hope that you can find it in your heart to day
Save one more dance with me
One last second chance for me
Cause I don't want nobody cutting in
I swear I'll never break your heart again
Please don't let the music end
Would you just save me one more dance
One more dance, dance, one more dance, dance If there's still space in your heart, please find
room to forget
Let's try and make a new start, and begin
You take the lead, I'll follow you
From this moment, I'll...for you
Tell me I'm not ... all alone Save one more dance with me
One last second chance for me
Cause I don't want nobody cutting in

I swear I'll never break your heart again
Please don't let the music end
Could you just save me one more dance
One more dance, dance, one more dance, dance.
