I Hope (feat. Charlie Puth)

Gabby Barrett

(Verse 1)
I
I hope she makes you smile
The way you made me smile on the other end of a phone in the middle of a highway driving alone
Oh baby, I
I hope you hear a song
That makes you sing along
And get you thinking about her
Then the last several miles turn into a blur, Yeah
(Chorus)
I hope you're both feeling sparks by the end of the drive
I hope you know she's the one by the end of the night
I hope you never ever felt more free
Tell your friends that you're so happy
I hope she comes along and wrecks every one of your plans
I hope you spend your last dime to put a rock on her hand
I hope she's wilder than your wildest dreams
She's everything you're ever gonna need
And Then I hope she cheats
Like you did on me
And Then I hope she cheats
Like you did on me
(Verse 2)
Yeah babe I hope she shows up in a 2 AM pick from a friend
Hanging onto a guy
You just ain't him
I hope you stay up all night all alone waiting by the phone
And then she calls
And baby, I
I hope you work it out
Forgive ain't just about forget
And take her on a first date again
And when you lean in for a kiss(Chorus)
I hope you're both feeling sparks by the end of the drive
I hope you know she's the one by the end of the night
I hope you never ever felt more free
Tell your friends that you're so happy
I hope she comes along and wrecks every one of your plans
I hope you spend your last dime to put a rock on her hand
I hope she's wilder than your wildest dreams
She's everything you're ever gonna need

And Then I hope she cheats
Like you did on me
And Then I hope she cheats
Like you did on me(Bridge)
I hope what goes
Comes all the way around
I hope she makes you feel the same way about her that I feel about you right now(Chorus)
I hope you're both feeling sparks by the end of the drive
I hope you know she's the one by the end of the night
I hope you never ever felt more free
Tell your friends that you're so happy
I hope she comes along and wrecks every one of your plans
I hope you spend your last dime to put a rock on her hand
I hope she's wilder than your wildest dreams
She's everything you're ever gonna need
And Then I hope she cheats
Like you did on me
And Then I hope she cheats
Like you did on me
Like you did on me
