

Yummy (feat. Pharrell Williams)

Gwen Stefani

I'm feeling yummy head to toe, you see me
Ain't got no patience so let's go, you see me
Look, I'm tired of drama
Wanna spend the night? Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me Walk in the place
They know my face
Encore, sophomore
Only one solo, I swore
Big mouth
Applause
Oh, please
One more
Wanna hear it before I say naw
Let me check my itinerary
Um, alright
Presto, skintight
Escaped and I risked my life
For what, so I can watch them bite?
Only one Gwen you can find like this
I mean blow your mind like this
Your key won't shine like this
If it's yours then you know it won't wind like this
Wind it up
I'm feeling yummy head to toe, you see me
Ain't got no patience so let's go, you see me
Look, I'm tired of drama
Wanna spend the night? Don't bring pajamas
Man, there's so much heat beneath these clothes
You see me I know you've been waiting
But I've been off making babies
And like a chef making donuts and pastries
It's time to make you sweat
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers
It's time to make you sweat
(Walk in the place)
(They know my face)
(Billion-aire boys)
(Ice Cream dripping 'cross the floor)
(Big house, garage)

(Bentleys, Ferrar)
(Wanna go before I say naw)
(Let me check my itinerary)
(Um, alright)
(G4, G flight)
(Bed in the back so I have a G night)
(Good night, hood right?)
(Ain't no nigga you can find like this)
(I mean blow your mind like this)
(Nigga's watch don't shine like this)
(If it's ticking then it don't tell time like this)
(then I take a warm comfortable shit)I'm feeling yummy head to toe, you see me
Ain't got no patience so let's go, you see me
Look, I'm tired of drama
Wanna spend the night? Don't bring pajamas
Man, there's so much heat beneath these clothes
You see meI know you've been waiting
But I've been off making babies
And like a chef making donuts and pastries
It's time to make you sweat
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers
It's time to make you sweatNow sweat, baby
Get stupid, jump up, go crazy
L.A.M.B. in 3D
Worldwide across your TV
You crazy, how'd you get this?
This sounds like disco Tetris
Do I have time to connect this?
Let me check my itinerary, umI came back for my spotlight
(For her spotlight)
I disappeared like Houdini
(Where Houdini?)
If yours didn't come out right
(If it's not right)
Go to Kinko's and Xerox meI'm feeling yummy head to toe, you see me
Ain't got no patience so let's go, you see me
Look, I'm tired of drama
Wanna spend the night? Don't bring pajamas
Man, there's so much heat beneath these clothes
You see meI'm feeling yummy head to toe, you see me
Ain't got no patience so let's go, you see me
Look, I'm tired of drama
Wanna spend the night? Don't bring pajamas
Man, there's so much heat beneath these clothes
You see meI know you've been waiting
But I've been off making babies
And like a chef making donuts and pastries

It's time to make you sweat
Sex and sugar is the flavor
Ovens and beaters and graters
Beats made of bongos and shakers
It's time to make you sweat
