Clocks

Coldplay

The lights go out and I can't be saved
Tides that I tried to swim against
You've put me down upon my knees
Oh, I beg, I beg and plead, singingCome out of things unsaid
Shoot an apple off my head, and a
Trouble that can't be named
A tiger's waiting to be tamed, singingYou are
You areConfusion never stops
Closing walls and ticking clocks, gonna
Come back and take you home
I could not stop that you now know, singing
Come out upon my seas
Curse missed opportunities, am I
A part of the cure
Or am I part of the disease? singingYou are
You are
You are
You areYou are
You areAnd nothing else compares
Oh, nothing else compares
And nothing else comparesYou are
You are
Home, home, where I wanted to go
Home, home, where I wanted to go
Home, home, where I wanted to go
Home, home, where I wanted to go
