Counting all the assholes in the room Well I'm definitely not alone Well I'm not alone You're a liar, you're a cheater, you're a fool Well that's just like me yoohoo And I know you tooMr. Perfect don't exist my little friend And I tell you that again And I do it again Counting all the assholes in the room Well I'm definitely not alone Well I'm not alone Look deep into yourself before you blame All others for betrayal, now for betrayal A promise so easy to say And easy you fail And you do it againWell the music seems to comfort And all the liquid do the colours Well I turn my back and go for All the better things in orderWell maybe you think your lie is safe But I read you like a letter Yeah like a letter Your charm do not evens the pain It fills me with rage And you do it again Well the music seems to comfort And all the liquid do the colours Well I turn my back and go for All the better things in orderWell the music seems to comfort And all the liquid do the colours Well I turn my back and go for All the better things in orderAnd a gangster keeps on telling That he got a song that matters So I flip a coin towards him Thank you very much for listening Song Discussions is protected by U.S. Patent 9401941.
