

Kitchen

Kid Cudi

Hmm, you wanna find somebody you trust and lay low
But it seems they all on the same mission
You wanna find somebody you trust and lay low
But can't stand the heat of my love, then stay out the kitchen
You wanna find somebody you trust and lay low
But it seems they all on the same mission
You wanna find somebody you trust and lay low
But can't stand the heat of my love, then stay out the kitchen Hmm, hmm, yeah my, hmm, yeah
Hmm, hmm, yeah my, hmm, yeah You got me, got me
You, you got me, got me
Punch-Drunk Love, I Know
You got me, got me
You, you got me, got me
Punch-Drunk Love, I know
Oh baby here we are, I made a wish on shooting stars
I ain't even mad at it, we made it this far
Oh baby here we are, I made a wish on shooting stars
I ain't even mad at it, we journeyed so far
Oh baby here we are, I made a wish on shooting stars
It would be so tragic if we abandoned this part, no
Baby we've journeyed too far
No U-turns my sweetheart Hmm, hmm, yeah my, hmm, yeah
Hmm, hmm, yeah my, hmm, yeah You got me, got me
You, you got me, got me
Punch-Drunk Love, I know
You got me, got me
You, you got me, got me
Punch-Drunk Love, I know
Hmm, you wanna find somebody you trust and lay low
But it seems they all on the same mission
You wanna find somebody you trust and lay low
But can't stand the heat of my love, then stay out the kitchen
You wanna find somebody you trust and lay low
But it seems they all on the same mission
You wanna find somebody you trust and lay low
But can't stand the heat of my love, then stay out the kitchen Hmm, hmm, yeah my, hmm, yeah
Hmm, hmm, yeah my, hmm, yeah You got me, got me
You, you got me, got me
Punch-Drunk Love, I know
You got me, got me
You, you got me, got me
Punch-Drunk Love, I know
