That Would Be Enough

Alicia Keys

Look around, look around at how lucky we are
To be alive right now
Look around, look around...Look around, look around at how lucky we are
To be alive right now
Look around, look around...Look at where you are
Look at where you started
The fact that you're alive is a miracle
Just stay alive
That would be enoughAnd if this child
Shares a fraction of your smile
Or a fragment of your mind, look out world!
That would be enough
I don't pretend to know
The challenges you're facing
The worlds you keep erasing and creating in your mindBut I'm not afraid
I know who I married
So long as you come home at the end of the day
That would be enoughWe don't need a legacy
We don't need money
If I could grant you peace of mind
If you could let me inside your heart...Oh, let me be a part of the narrative
In the story they will write someday
Let this moment be the first chapter:
Where you decide to stayAnd I would be enough
And this could be enough
This would be enough
Said, I would be enough
And this could be enough
See, we could be enough
Oh babyI could be enough
We could be enough
This could be enough
OoohDon't look no further
Don't go nowhere
I could be enough (I could be enough)
We could have it allTell me baby (baby)
Can you feel me? (ayy)
Can I be enough?
(Can I be enough?)
And your family?
(Me and your family?)
Listen, baby (Listen, baby)

We can have it all
(We could have it all)
Can I be enough?
(Can I be enough?)
Yeah
WooSo look around, look around at how lucky we are
To be alive right now
Look around, look around...Look around, look around at how lucky we are
To be alive right now
Look around, look around...
Baby
Darling
Oooh
