

# History In the Making

Darius Rucker

Don't move, baby don't move  
Ah look at you  
I just want to take this in  
The moonlight dancin' off your skin  
Our time, let's take our time  
I just want to look in your eyes and catch my breath  
'Cause I got a feeling This could be one of those memories  
We're wanna hold on too, cling too, the one we can't forget  
Baby this could be our last first kiss, the dawn of forever  
What if this was that moment, that chance worth taking  
History in the making  
Inside, baby inside  
Can you feel the butterflies floating all around  
'Cause I can sure feel 'em now  
Tonight, maybe tonight  
Is the start of a beautiful ride that will never end  
And baby I've got a feeling This could be one of those memories  
We're wanna hold on too, cling too, the one we can't forget  
Baby this could be our last first kiss, the dawn of forever  
What if this was that moment, that chance worth taking  
History in the making Right here, right now, holding you in my arms  
This could be one of those memories  
We wanna hold on too, we wanna gonna cling too, the one that we can't forget  
Baby this could be our last first kiss, the start to forever  
What if this was that moment, that chance worth taking  
History in the making, ah yeah  
History in the making, nah nah  
This is a chance worth taking, ahah
