

Let the Waters Rise

MIKESCHAIR

Don't know where to begin, it's like my world's cavin' in
And I try but I can't control my fear, where do I go from here?
Sometimes it's so hard to pray when You feel so far away
But I am willin' to go where You want me to and God I trust You
There's a ragin' sea right in front of me
Wants to pull me in, bring me to my knees
So let the waters rise if You want them to
I will follow You, I will follow You, I will follow You
I will swim in the deep 'cause You'll bein' next to me
You're in the eye of the storm and the calm of the sea
You're never out of reach
God, You know where I've been and You were there with me then
You were faithful before, You'll be faithful again, I'm holdin' Your hand
There's a ragin' sea right in front of me
Wants to pull me in, bring me to my knees
So let the waters rise if You want them to
I will follow You, I will follow You, I will follow You
God Your love is enough, You will pull me through, I'm holdin' onto You
God Your love is enough, I will follow You, I will follow You
There's a ragin' sea right in front of me
Wants to pull me in, bring me to my knees
So let the waters rise if You want them to
I will follow You, I will follow You, I will follow You
