

# Wouldn't Change a Thing

Joe Jonas & Demi Lovato

It's like, he doesn't hear a word I say  
His mind is somewhere far, away  
And I don't know how to get there  
It's like...  
(She's way too serious)  
All he wants it to chill out  
(She's always in a rush)  
He makes me wanna pull all my (And interrupted) hair out  
Like he doesn't even care (She doesn't even care)  
You  
(Me)  
We're face-to-face  
Both: But we don't see eye-to-eye  
Like fire and rain  
(Like fire and rain) You can drive me insane  
(You can drive me insane)  
Both: But I can't stay mad at you for anything  
We're Venus and Mars  
(We're Venus and Mars)  
We're like different stars  
(Like different stars)  
Both: But you're the harmony to every song I sing...  
And I wouldn't change a thing... (She's always tryin' to save the day,)  
(just wanna let my music play)  
(She's all or nothing,)  
(but my feelings never change)  
Why (I try to read her mind) does he try to read my mind?  
(She tries to pick a fight) It's good to psycho analyze  
(To get attention)  
Both: That's what all of my friend say  
You  
(Me)  
Both: We're face-to-face  
But we don't see eye-to-eye Like fire and rain  
(Like fire and rain)  
You can drive me insane (You can drive me insane)  
Both: But I can't stay mad at you for anything  
We're Venus and Mars  
(We're Venus and Mars)  
We're like different stars  
(Like different stars)  
Both: But you're the harmony to every song I sing...

And I wouldn't change a thing...(When I'm yes, she's no.)  
When I hold on he just let go...Both: We're perfectly imperfect  
but I wouldn't change a thing...

Nooo...Like fire and rain(Like fire and rain)  
You can drive me insane  
(You can drive me insane)

Both: But I can't stay mad at you for anything  
We're Venus and Mars  
(We're Venus and Mars)  
We're like different stars  
(Like different stars)

Both: But you're the harmony to every song I sing...  
And I wouldn't change a thing...

But I can't stay mad at you for anything  
We're Venus and Mars  
(We're Venus and Mars)  
We're like different stars  
(Like different stars)

Both: But you're the harmony to every song I sing...  
And I wouldn't change a  
Wouldn't change a thing...
