La la la la  
La la la la  
La la la la Never thought that we would ever be more than friends  
Now I'm all confused cause for you I have deeper feelings  
We both thought it was cool to cross the line  
And I was convinced it would be alright  
Now things are strange, nothings the same  
And really I just want my friend back And my mind's gone half crazy cause I can't leave you  
alone  
(Oh can't get you out of my system)  
And I'm wondering if it's worth me holding on  
Said my mind's gone half crazy cause I can't leave you alone  
(Can't get you out of my system)  
And I'm wondering if it's worth me holding on  
(Yeah)  
I'd hate to walk away from you as if this never existed  
'Cause when we kissed the moment after I looked at you different  
Yeah lately I gotta watch what I say  
'Cause you take things personally nowadays  
You used to laugh now you get mad  
Damn I just want my friend back And my mind's gone half crazy cause I can't leave you alone  
(Oh can't get you out of my system)  
And I'm wondering if it's worth me holding on  
(Holding on)  
Said my mind's gone half crazy cause I can't leave you alone  
(Can't get you out of my system)  
And I'm wondering if it's worth me holding on Oh oh oh oh oh yeah  
What happened to the one I used to know  
The one I used to laugh and joke with  
The one I used to tell all my secrets  
We used to chill and be down for whatever whenever together  
And my mind's gone half crazy 'cause I can't leave you alone  
(I'm going half crazy baby)  
And I'm wondering if it's worth me holding on  
(Over you)  
Said my mind's gone half crazy 'cause I can't leave you alone  
(And I just don't know)  
And I'm wondering if it's worth me holding on  
(Said I just don't know what to do now) We used to chill we used to hang  
We used to do we used to do some many things together  
Yeah yeah yeah yeah, oh oh yeah oh oh oh
