## J Boog

holla dem people  
Well dem havin a time, dem fallin  
taking all this propaganda from babylon, they feeding  
Always proceed with caution  
Because dem real slick  
Move ...??? ...very often  
Dem a try fi cover up dem a lie, I say  
They disguising in???  
Learn up Youth  
Show dem that you are not 'fraid(?)  
Cuz you a burning (???) with the warrior (???)  
Wolve'  
Ina Sheeps Clothing  
Careful a di Wolve'  
Ina sheeps clothing  
Yo  
Every minute every day,  
My relationship with di up above starts to ...??  
So stop a thinking i have control of my fate  
It made me think twice on what choices to Make  
So how did this world we live in ...???  
Depend on dem thoughts down to the youth, but (???)  
Is sex money and drugs the things that you love  
Your living up ...???  
Now Be 'ware of da hypocrites and vampires  
Dont make dem take you for no fool  
Be a smart Soul-Jah (Soldier)  
(AY)Dem a wan fi war  
(AY)Wit you and you see dem from afar  
Like a prophet ever honored is his hometown  
I saw di struggle, had it rough  
and risin from di ground  
but never stop blazin da fire  
even when da wicked dem a conspire against you
