

# Islands In the Stream

Emily Ann Roberts & Blake Shelton

Baby, when I met you  
There was peace unknown  
I set out to get you  
With a fine tooth comb  
I was soft inside  
There was something going on You do something to me  
That I can't explain  
Hold me closer and I feel no pain  
Every beat of my heart  
We got something going on  
Tender love is blind  
It requires a dedication  
All this love we feel  
Needs no conversation  
We can ride it together, ah-ha  
Cause we love one another, ah-ha  
Islands in the stream  
That is what we are  
No one in between  
How can we be wrong  
Sail away with me  
To another world  
And we rely on each other, ah-ha  
Cause we love one another, ah-ha I can't live without you  
If the love was gone  
Everything is nothing  
If you got no one  
And you did walk in the night  
Slowly losing sight of the real thing  
But that won't happen to us  
And we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year for the real thing No more will you cry  
Baby, I will hurt you never We start and end as one  
In love forever  
We can ride it together, ah-ha  
Cause we love one another, ah-ha Islands in the stream  
That is what we are  
No one in between  
How can we be wrong  
Sail away with me

To another world  
And we rely on each other, ah-ha  
Cause we love one another, ah-ha Islands in the stream  
That is what we are  
No one in between  
How can we be wrong  
Sail away with me  
To another world  
And we rely on each other, ah-ha  
Cause we love one another, ah-ha
