

# Change the World

[Eric Clapton](#)

If I could reach the stars, pull one down for you  
Shine it on my heart, so you could see the truth  
That this love I have inside is everything it seems  
But for now I find, it's only in my dreams And I can change the world  
I will be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world If I could be king even for a day  
I'd take you as my queen  
I'd have it no other way  
And our love would rule this kingdom we had made  
'Til then I'd be a fool  
Wishing for the day  
That I can change the world  
I would be the sunlight in your universe You would think my love was really something good  
Baby if I could change the world  
Baby if I could change the world  
I could change the world  
I would be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world  
Baby if I could change the world  
Baby if I could change the world
