

Stingy

Ginuwine

You know what, baby
I need to tell you something and
It's something very important, you know
I want you to take this time out and just listen
And hold me close you hear me?
Listen Can I have you for a minute? Don't get shy 'coz my heart's in it
When I say you got me strung out
I don't know and I can't call it but whatever it is you've got it
No babe, without a doubt, yeah Never been the one to cling and I don't like to be needed
But now I guess that's all changed
That's why I get mad at your folks 'coz I don't want you to go
No babe, I want you to stay
You can say, I'm trippin' but I'm stingy and I can't hide it
Wanna keep you all to me, I'm selfish, why try to fight it?
You're the only one with the only love that's strong enough to claim me
So please forgive me, I'm just stingy but how can you blame me Baby, tell me how you do it
'coz you got me so into it
I'm gone, but I don't understand
So amazing, captivating, elevating
Any way you try to put it I wanna be your man So if you wanna put me on
I don't mind it's alright, I'm for it, I would so adore it
Nothing turns me on more than being with you
Baby, I'm not trippin' You can say, I'm trippin' but I'm stingy and I can't hide it
Wanna keep you all to me, I'm selfish, why try to fight it?
You're the only one with the only love that's strong enough to claim me
So please forgive me, I'm just stingy but how can you blame me
Do what you want, anything, anything
I am all yours
You can do no wrong, everything, everything
I do because I'm so wide open No joking, you got me right where you want me to be
I just hope you feel the same
'Coz I don't want nothing to change
This is where I wanna be So if you wanna put me on I don't mind it's alright, I'm for it
I would so adore it
Nothing turns me on better than being with you
Baby, I'm not trippin' You can say, I'm trippin' but I'm stingy and I can't hide it
Wanna keep you close to me, I'm selfish, why try to fight it?
You're the only one with the only love that's strong enough to claim me
So please forgive me, I'm just stingy but how can you blame me You can say, I'm trippin' but
I'm stingy and I can't hide it
Wanna keep you close to me, I'm selfish, why try to fight it?
You're the only one with the only love that's strong enough to claim me

So please forgive me, I'm just stingy but how can you blame me
