

# Millennium

## Robbie Williams

We've got stars directing our fate  
And we're praying it's not too late  
Millennium Some say that we are players  
Some say that we are pawns  
But we've been makin' money  
Since the day that we were born  
Got to slow down (slow down)  
'Cause we're low down Run around in circles  
Live a life of solitude  
Until we find ourselves a partner  
Someone to relate to  
Got to slow down (Slow down)  
Before we fall down  
We've got stars directing our fate  
And we're praying it's not too late  
'Cause we know we're falling from grace  
Millennium Live for liposuction, detox for your rent  
Overdose for Christmas and give it up for Lent My friends are all so cynical  
Refuse to keep the faith  
We all enjoy the madness  
'Cause we know we're gonna fade away We've got stars directing our fate  
And we're praying it's not too late  
'Cause we know we're falling from grace  
Millennium  
Come and have a go  
If you think you are hard enough  
Come and have a go  
If you think you are hard enough  
Millennium, millennium We've got stars directing our fate  
And we're praying it's not too late  
'Cause we know we're falling from grace  
Millennium  
(Sometimes you know) And when we come we always come too late  
I often think that we were born to hate  
Get up and see the sarcasm in my eyes  
And when we come we always come too late  
I often think that we were born to hate Get up and see the sarcasm in my eyes  
We've got stars directing our fate (Millennium)  
And we're praying it's not too late (Millennium)  
'Cause we know we're falling from grace (Millennium)  
(And we won't stop)  
We've got stars directing our fate

And we're praying it's not too late  
'Cause we know we're falling from grace  
Millennium
