## Head & Heart (feat. MNEK) [Timmy Trumpet Remix]

## **Joel Corry**

Ba-ba-ba-dum ba-ba-dum ba-ba-dum God, oh my God
This feeling's just begun

I'm saying things I've never said

Doing things I've never doneOh my God, oh my God

When I see you I should run

But I'm frozen in motion

And my head tells me to stop

Tells me to stopFew things, feelings I feel about us

Try to fight it but it's never enoughMy heart is certain

It's more than a crush

'Cause I'm frozen in motion

And my head tells me to stop

But my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-dum ba-ba-dum ba-ba-da-dum

'Cause my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-dum ba-ba-dum ba-ba-da-dumOh my God, oh my God

Can't believe what I've become

I'm thinking things I shouldn't think

Singing songs I've never sungOh my God, oh my God

When I see you I should run

But I'm frozen in motion

And my head tells me to stop

Tells me to stopFeeling feelings I feel about us

Try to fight it but it's never enough

('Cause my heart)

My heart is certain

It's more than a crush

'Cause I'm frozen in motion

And my head tells me to stopBut my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-dum ba-ba-dum ba-ba-da-dum

'Cause my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-dum ba-ba-dum ba-ba-da-dumBut my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum

Ba-ba-ba-dum ba-ba-da-dum

'Cause my heart goes

Ba-ba-dum ba-ba-dum ba-ba-dum Ba-ba-ba-dum ba-ba-dum ba-ba-da-dumMy head and my heart My head and my heart I can't tell them apart My head tells me to run But I can't'Cause my heart goes Ba-ba-dum ba-ba-dum ba-ba-dum Ba-ba-ba-dum ba-ba-da-dum 'Cause my heart goes Ba-ba-dum ba-ba-dum ba-ba-dum Ba-ba-dum ba-ba-dum ba-ba-da-dumOh my God, oh my God This feeling's just begun I'm saying things I've never said Doing things I've never doneOh my God, oh my God When I see you I should run But I'm frozen in motion And my head tells me to stopBut my heart goes
