

Rebel Warrior

Asian Dub Foundation

Ami bidrohi!
I the rebel warrior
I have risen alone with my head held high
I will only rest
When the cries of the oppressed
No longer reach the sky
When the sound of the sword of the oppressor
No longer rings in battle
Hear my warcry! I'm hear to teach you a lesson
I'm hear to torture your soul
I'm the itch in your side that's got out of control
'gonna prey on your conscience
You'll be praying for forgiveness
Seen all the evidence
No longer need a witness
So take my word man
Here's my sentence
One hundred thousand years of repentance.
Check my anger, it's real
Ain't no token
I'll be satisfied only when your back's been broken
It's my burning ambition to burn down your empire
Man I'll be building you a funeral pyre
The fire in my eyes
If looks coulda kill
I won't be satisfied until I've had my fill.
Check my anger, it's real
Ain't no token
I'll be satisfied only when your back's been broken Ami bidrohi!
I the rebel warrior
I have risen alone with my head held high
I will only rest
When the cries of the oppressed
No longer reach the sky
When the sound of the sword of the oppressor
No longer rings in battle
Hear my warcry! (H-h-hear my warcry!)
Rebel warrior Repetitive beats beating against your skull
I'll be striking you down
To the sounds of the wardrum
The doum!
The doum of the dhol

Taking it's toll
Null and void is what you've become
An underground army with my brothers and sisters
Hand to hand fighting
Building up a resistance
Repetitive beats beating against your skull
Null and void is what you've become Ami bidrohi!
I the rebel warrior
I have risen alone with my head held high
I will only rest
When the cries of the oppressed
No longer reach the sky
When the sound of the sword of the oppressor
No longer rings in battle
Hear my warcry! (H-h-hear my warcry!) Rebel warrior A radical fusion
Strange alliance
The siren and the flute in unison
'cos it's a part of my mission
To break down division
Mental compartments
Psychological prisons. I'll be sowing the seeds of community
Accommodating, every colour, every need
So listen to my message and heed my warning
I'm telling you know
How a new age is dawning Ami bidrohi!
I the rebel warrior
I have risen alone with my head held high
I will only rest
When the cries of the oppressed
No longer reach the sky
When the sound of the sword of the oppressor
No longer rings in battle
Hear my warcry! (H-h-hear my warcry!) Ami bidrohi! ami bidrohi!
Yes the unity of the hindu and the muslim
Will end your tyranny
Ami bidrohi! ami bidrohi!
