

Falls (Reprise) [feat. Sasha Sloan]

ODESZA

Ever feel like you can't breathe?
Does the water feel too deep?
Lie awake cause you can't sleep without it? Ever feel like you're alone?
When you're lost but you're already home?
Lie awake cause you can't dream without it? It's gonna be alright
I'm never gonna leave your side
It's gonna be alright
Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up
Gonna make it through this time
Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up
Gonna make it through this time Ever feel like it's too much?
Do you feel like you're not enough?
When you feel like it's gonna take forever?
Yeah, I swear I know what it's like
To feel alone at the end of the night
Maybe you don't know it
But it gets better It's gonna be alright
I'm never gonna leave your side
It's gonna be alright Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up
Gonna make it through this time
Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up
Gonna make it through this time Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up

Gonna make it through this time
Everybody falls down
All the way down
You just gotta hold on tight
Then you gotta get up
Gotta get up
Gonna make it through this timeTime, time
Gonna make it through this time
Time, time
Gonna make it through this time
Time, time
Gonna make it through this time
Time, time
Gonna make it through this time
