

# Young (feat. Andrew Jackson) [Sam Feldt Remix]

[Frank Walker](#)

Wel'll never be this young and inspired again  
"O-o-oh"

So come'on if you look up and raise it up  
We've been waiting up and this is our time yeah  
Wel'll never be this young in our lives again

"O-o-oh"  
"O-o-oh"

"O-o-oh" Wel'll never be this young in our lives again  
"O-o-oh"

Wel'll never be this young and inspired again  
"O-o-oh"

So come'on if you look up and raise it up  
We've been waiting up and this is our time yeah  
Wel'll never be this young in our lives again

"O-o-oh"  
"O-o-oh"  
"O-o-oh"

Wel'll never be this young in our lives again  
"O-o-oh"

Wel'll never be this young and inspired again  
"O-o-oh"

So come'on if you look up and raise it up  
We've been waiting up and this is our time yeah  
Wel'll never be this young in our lives again
