

Suzy Lee

The White Stripes

There's a story
I would like to tell
My problem is
It's one you know too well
It's one you know too well Miss Suzy Lee
The one I'm speakin' of
The question is:
Is she the one I love?
Is she the one I love? (All right)
Is she the one I love?
Is she the one I love? She'll send me flowers
With her tears burned inside
And you know what I'd do
I would run and hide
I would run and hide And the paper
On it was my name
With the question:
"Do you feel the same?"
Do you feel the same?
To end this tale
The one I'm speakin' of
I wish I had an answer, but I just don't know
Is this really love?
Is this really love? (Yeah) Is this really love?
Is this really love?
