

# American Steel

## Soulfly

In for the hill - American Steel  
This is the real - American Steel  
Breathe in the new - American Steel  
This is the bleeding - American SteelAAAARRRRRGGGGHHHH!In for the kill - American  
Steel  
Burning you'll feel - American Steel  
Massive Aggressive - American Steel  
Blackest of the black - American SteelAAAARRRRRGGGGHHHH!We are the storm, kill  
everyone - Under the sun  
We against the world, spiral downfall - Enter the swarm  
We against the world, judgement day - The killing horde  
We're stronger than hate, stronger than all - We are the storm  
The killing horde  
We are the storm  
Under the sun  
Enter the swarm  
The Killing horde
