

# My Montgomery

## Parmalee

Leavin' the ground tonight  
Tradin' these Chicago lights for fireflies  
A couple fives in my pocket  
A couple whiskey's might just stop these  
Wheels of mine from spinnin' all the time  
I've been runnin' so fast  
Now I'm runnin' out of gas  
I got nothin' left Yea... I'm goin' home  
Yea... I'm goin' home  
To my Montgomery  
Somewhere between Birmingham and Mobile, Alabama  
She waits for me  
She knows that I start feelin' summer nights and  
One look from those wild eyes  
Is gonna set me free (Is gonna set me free)  
I can't wait to touch down  
Cause I need her touch now  
She's where I belong Yea... I'm goin' home  
Yea... I'm goin' home  
To my Montgomery That's where I'm goin'  
That's where I'm goin'  
That's where I'm goin'  
To my Montgomery  
That's where I'm goin'  
That's where I'm goin'  
That's where I'm goin'  
To my Montgomery Wait for me, wait for me (wait for me, wait for me)  
Oh wait for me, wait for me (oh wait for me, wait for me)  
Oh wait for me, wait for me (oh wait for me, wait for me)  
Oh wait for me, wait for me  
Wait for me, wait for me Yea... I'm goin' home  
Yea... I'm goin' home  
To my Montgomery Leavin' the ground tonight  
Tradin' these Chicago lights for fireflies
