

I'm Good (Radio Version)

Blaque

Yeah

Uh

New Blaque

Darckchild, Darkchizzle

The jump offs it true that I'm the one making you nervous?

Trying real hard as if I'm for sure press

By you and your crew, that's helpless

You saw that X5, that's me outside

I know you, kinda seem so confused

You can't understand how my diamonds sing blue

But its cool its true, its unusual

A girl so fly out shining a guy

We can talk about this, lets talk about it

We can talk about this, don't think about it

About me on the floor, that's what I came here for

So pump ya breaks it seem as if ya wantin' moreIt ain't me, I'm sorry you got the wrong one

It ain't me; I just came out to have fun

It ain't me, go out and find another one

I don't like what your kickin' son, now leaveCause even if I leave alone, I'm good

And even if you come along, I'm good

Don't mean a thing to me cause, I'm good

With or without you

If you wanna play games with me then, I'm good

Say what you do for me than, I'm good

You don't really mean a thing cause, I'm good

With or without you

(Chorus:)

I'm good I'm good without you

I'm good I'm good

I'm good I'm good without you

I'm good I'm goodPlayas please, please stop frontin' and do you

I didn't know Benz started making Isuzu's

But its new, cause I do what I do

Which causes me not to be needin' you

When I leave, I got a crib to go to

That I got myself straight out of high school

So if you comin' at me, be ready

Cause there ain't no way I'm gonna let somebody play meWe can talk about this, lets talk about
it

We can talk about this, don't think about it

About me on the floor, that's what I came here for

So pump ya breaks it seem as if ya wantin' moreIt ain't me, I'm sorry you got the wrong one

It ain't me; I just came out to have fun
 It ain't me, go out and find another one
 I don't like what your kickin' son, now leave Cause even if I leave alone, I'm good
 And even if you come along, I'm good
 Don't mean a thing to me cause, I'm good
 With or without you
 If you wanna play games with me then, I'm good
 Say what you do for me than, I'm good
 You don't really mean a thing cause, I'm good
 With or without you I'm good I'm good without you (said I'm so good)
 I'm good I'm good (whoaaaa)
 I'm good I'm good without you (said I'm so god)
 I'm good I'm good (whoaaaa)(Rap)
 Yo, I'm only Clyde if you clip me
 And I still got ice even if you ain't wit me
 Candy paint and I still bump Biggie
 Halter, throwback, ripped up dickies
 Ya hate me cause I I'm nice up on the mic
 I'm twice the size of rice
 My flow keepin em' right
 Brain dead you need cents like 50
 Cause you won't truly love me like Bobby and Whitney
 No And even if I leave alone, I'm good
 And even if you come along, I'm good
 Don't mean a thing to me cause, I'm good
 With or without you
 If you wanna play games with me then, I'm good
 Say what you do for me than, I'm good
 You don't really mean a thing cause, I'm good
 With or without you I'm good I'm good without you
 I'm good I'm good
 I'm good I'm good without you
 I'm good I'm good
 I'm good I'm good without you
 I'm good I'm good
 I'm good I'm good without you
 I'm good I'm good I'm good!
