

# Hollywood Dreams

Miguel

Lost angel with an urgent subtle  
Jaded eyes, and this empty fixation  
Sweet Hollywood sign, you're my salvation  
Cokey scenes full of pipe dreams  
Palm trees and a numb sensation  
Chasing, uh-huh  
Vivid schemes, put my name on a marquee  
Still waiting for my big break, for fame sake  
And we could be better than heroes baby, alright  
We could fly higher than spaceships baby, all night  
Said could you ever find the magic man  
He can make it all happen, alright  
Lost hollywood dreams  
Lost hollywood dreams  
Said wow, up fame, became your religion woman  
Unique as you are your faith is coming  
Now the walk of shame woman, it's reputation  
Cheap thrills, fake friends, coke binge, what a numb sensation  
Then he said, "honey I can put your face on the big screen  
Well aren't you looking for your big break?  
Come here, for fame sake" And we could be better than heroes baby, alright  
We could fly higher than spaceships baby, all night  
Girl yopu're looking at the magic man  
I can make it all happen, alright  
Lost hollywood dreams  
Lost hollywood dreams  
And we could be better than heroes baby, alright  
We could fly higher than spaceships baby, all night  
Girl yopu're looking at the magic man  
I can make it all happen, alright  
Lost hollywood dreams  
Lost hollywood dreams  
Up and down Hollywood sunset  
Up and down  
Lost Hollywood dreams
