

I Belong (feat. Sofia)

The Cast of Sofia the First

I study hard...I read the books.
But everywhere I turn...it seems like there's a zillion things...
That I still need to learn...
I've got the shoes, I've got the dress. That makes me a Princess, I guess.
I have all the stuff, but is it enough...to make me a success?
Oh How do I keep on trying and just stay strong?
When so many times I wonder if I belong...
They look at me, what do they see? Am I Royal or just pretending to be?
But this is the day, to make them all say;
"That I fit in perfectly."
I've gotta keep on trying and just stay strong...
'Cuz this is my chance to show them that I belong... !
Is it all about the fan or which dress someone wore?
'Cuz I would think that what's inside, should mean a whole lot more...
So I gotta go, and take this test. I'm gonna try my very best.
To make the right move and finally prove,
I'm as Royal as the rest.
Yes, I'm gonna keep on trying and I'll stay strong...
'Cuz this is my chance to show them that I belong... !
There maybe things, I may get wrong,
But I gotta just stay strong...I'm gonna finally show them...I belong...
