

# Back to You

Bryan Adams

I've been down - I've been beat  
I've been so tired - That I could not speak  
I've been so lost - That I could not see  
I wanted things that were outta reach  
Then I found you and you helped me through  
And you showed me what to do  
And that's why I'm comin' back to you. Like a star that guides a ship across the ocean  
That's how your love can take me home - Back to you  
And if I wish upon that star, that someday I'll be where you are  
Yeah I know that day is coming soon - Yeah I'm comin' back to you.  
You've been alone - But you did not show it  
You've been in pain - But I did not know it  
You let me do - What I needed to  
You were there - When I needed you  
Might've let you down - Might've messed you around  
But you never changed your point of view  
And that's why I'm coming back to you. Yeah - Like a star that guides a ship across the ocean  
That's how your love can take me home - Back to you  
And if I wish upon that star, that someday I'll be where you are  
Yeah I know that day is coming soon - Yeah I'm comin' back to you. Might've let you down -  
Might've messed you around  
But you never changed your point of view  
And that's why I'm coming back to you, yeah. Like a star that guides a ship across the ocean  
That's how your love can take me home - Back to you  
And if I wish upon that star, that someday I'll be where you are  
I know that day is coming soon - Oh I'm comin' back to you.  
I'm coming back to you  
I'm coming back to you  
I'm coming back to you  
I'm coming back to you  
That day is coming soon  
I'm coming back to you.  
Yeah - Back to you!
