

# A Sorta Fairytale

Tori Amos

On my way up north, up on the Ventura  
I pulled back the hood and I was talking to you  
And I knew then it would be a life long thing  
But I didn't know that we, we could break a silver lining And I'm so sad  
Like a good book I can't put this day back  
A sorta fairytale with you  
A sorta fairytale with you Things you said that day up on the one-oh-one  
The girl had come undone, I tried to downplay it  
With a bet about us, you said that you'd take it  
As long as I could, I could not erase it  
And I'm so sad  
Like a good book I can't put this day back  
A sorta fairytale with you  
A sorta fairytale with you And I ride along side  
And I rode along side you then  
And I rode along side  
Till you lost me there in the open road  
And I rode along side  
Till the honey spread itself so thin  
For me to break your bread  
For me to take your word  
I had to steal it And I'm so sad  
Like a good book I can't put this day back  
A sorta fairytale with you  
A sorta fairytale with you  
I could pick back up whenever I feel  
Down New Mexico way  
Something about the open road  
I knew that he was  
Looking for some Indian blood  
And find a little in you  
Find a little in me  
We may be on this road  
But we're just impostors in this country you know  
So we go along and we said we'd fake it  
Feel better with Oliver Stone  
Till I almost smacked him  
Seemed right that night  
I don't know what takes hold  
Out there in the desert cold  
These guys think they must  
Try and just get over on us And I'm so sad

like a good book I can't put this day back  
A sorta fairytale with you  
A sorta fairytale with you And I was riding by  
Riding along side  
For a while till you lost me  
And I was riding by  
Riding along till you lost me  
Till you lost me in the rear view  
You lost me I said Way up north I took my day  
All in all was a pretty nice day  
And I put the hood right back where  
You could taste heaven perfectly  
Feel out the summer breeze  
Didn't know when we'd be back  
And I, I don't, didn't think  
We'd end up like, like this
