Paranoid

Jonas Brothers

I make the most of all this stress I try to live without regrets But I'm about to break a sweat I'm freakin' outIt's like a poison in my brain It's like a fog that blurs the sane It's like a vine I can't untangle I'm freakin' outEvery time I turn around Something don't feel right Just might be paranoid I'm avoiding the lies 'Cause they just might slip Can someone stop the noise? I don't know what it is But I just don't fit I'm paranoid Yeah!I take the necessary steps To get some air in to my chest I'm taking all the doctor's meds I'm still freakin' outThat's why my ex is still my ex I never trust a word she says I'm running all the background checks And she's freakin' out Every time I turn around Something's just not rightJust might be paranoid I'm avoiding the lies 'Cause they just might slip Can someone stop the noise? I don't know what it is But I just don't fitConsider me destroyed (consider me destroyed) I don't know how to act 'Cause I lost my head I must be paranoid (must be paranoid) And I never thought it would come to this I'm paranoidStuck in a room of staring faces, yeah Caught in a nightmare, can't wake up If you hear my cry running through her street I'm about to freak, come and rescue meJust might be paranoid, yeah (might be paranoid) I'm avoiding the lies 'Cause they just might slip Can someone stop the noise? (someone stop the noise) I don't know what it is But I just don't fitConsider me destroyed (consider me destroyed)

I don't know how to act 'Cause I lost my head I must be paranoid (must be paranoid) I never thought it would come to this I'm paranoid Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
