

We Don't Need Another Hero (Thunderdome)

[Live]

Tina Turner

Out of the ruins, out from the wreckage
Can't make the same mistakes this time
We are the children, the last generation
We are the ones they left behind
And I wonder when we are ever gonna change?
Living under the fear, till nothing else remains
We don't need another hero,
We don't need to know the way home
All we want is life beyond the Thunderdome
Looking for something we can rely on
There's got to be something better out there.
Mmmm, love and compassion, their day is coming
All else are castles built in the air
And I wonder when we are ever gonna change?
Living under the fear, till nothing else remains.
All the children say,
We don't need another hero,
We don't need to know the way home
All we want is life beyond the Thunderdome
So what do we do with our lives?
We leave only a mark.
Will our story shine like a light,
Or end in the dark?
Give it all or nothing!
We don't need another hero,
We don't need to know the way home
All we want is life beyond the Thunderdome
All the children say,
We don't need another hero,
We don't need to know the way home
All we want is life beyond the Thunderdome
