## Spirit (Chicane Rework Mix) [feat. Jewel]

## Chicane

SomedaySomeday
The spirit of the heartSomeday
The spirit of the heart
To find

To feel you calling your wayAnd someday
The miracle will mend
You'll know the life

That needs the calling to faith

And someday

The spirit of the heart

To find

To feel you calling your wayThe miracle will mend You'll know the life

That needs the calling to faithSomedayAnd someday

The spirit of the heart

To find

To feel you calling your wayAnd someday

The miracle will mend

You'll know the life

That needs the calling to faith

And someday

The spirit of the heart

To find

To feel you calling your way
