

# Don't Ask Me No Questions

## Lynyrd Skynyrd

Well every time that I come home nobody wants to let me be  
Seems that all the friends I got just got to come interrogate me  
Well I appreciate your feelings and I don't want to pass you by  
But I don't ask you about your business don't ask me about mine Well it's true I love the money  
And I love my brand new car  
I like drinking the best of whiskey  
Playin in a honkey tonk bar When I come off the road  
Well I just gotta have my time  
Cause I got to find a break in this action  
Or else I'm gonna loose my mind  
So don't ask me no questions  
And I won't tell you no lies  
And don't ask me about my business  
And I won't tell you good-bye (that's right) Well what's your favorite color  
And do you dig the brothers  
It's driving me up the wall  
And every time I think I can sleep  
Some fool has got to call  
Well don't you think that when I come home  
I just want a little piece of mind  
And if you wanna talk about this business  
Buddy you just wasting time  
So don't ask me no questions  
And I won't tell you no lies  
So don't ask me about my business  
And I won't tell you good-bye  
I said don't ask no stupid questions  
And I won't send you away  
If you want to talk fishin'  
I guess that would be okay (whoo)
